

走进金石

陕西金石机械制造有限公司是中国国内专业的深孔加工设备和深孔加工刀具制造厂商，是国家高新技术企业和中国有色金属材料深孔加工技术及应用工程实验室。

多年来，陕西金石机械制造有限公司一直致力于深孔加工技术的研究与应用，致力于为客户提供高精度深孔、刀具、辅具以及优质高效的售后服务。

五十余年机床设计制造的历史传承与技术积累，企业改制后以专业化增强创新能力，生产及服务体系，以及对您需求的持续关注，可以迅速有效的满足用户不同的加工需求，为您的生产提供最佳、最适宜的深孔解决方案，确保精益生产流程的实现。

About us

Shaanxi Golden Stone Machinery Manufacturing Co., Ltd. is a manufacturer of specialized deep hole drilling equipments and deep hole machining drills in China. As a national high-tech enterprise, GSM is also certificated as the "Metal Material Deep Hole Drilling Technology and Application Engineering Laboratory" in Shaanxi Province.

GSM has been dedicated to the research and application of deep hole drilling technology, high precision machines, tools and auxiliary tools as well as high quality and effective pre-sale and after sale services for every customer.

With fifty years of design and manufacture of machine tools and accumulated technologies, specialized rebuilding systems of design, manufacture and service, and a continuous focus on your needs, we can meet different needs of users with quality and efficiency and provide you customized solutions, high-end equipments and comprehensive services.
